Dear Sir or Madam:

There are here enclosed six (6) powers of attorney forms. Please enter each of the attached power of attorney forms in the appropriate case file so that we many take over the prosecution of all of them. They fall into three categories:

**A. Forms for Non-provisional Patent Applications. Please simply record these powers of attorney forms:**

- 1) 10/393,699
- 2) 09/846,616

**B. Forms for Provisional Patent Applications. Please simply record these powers of attorney forms:**

- 3) 60/592,163
- 4) 60/602,235

**C. Forms for Non-provisional Patent Applications using the Provisional Patent Application Serial Numbers. Please apply these to the Non-provisional Applications associated with the Provisional Patent Application Numbers:**

- 5) 60/412,355
- 6) 60/429,951

For these last two cases, our client only had record of the provisional serial number, and did not have record of the non-provisional number; but it is the client's intention that the power of attorney apply to the non-provisional case.

Please notify us by telephone or email if you are not able to match up any of these powers of attorney forms with their appropriate cases. Or feel free to contact our client, Mighty Net, Inc., and its owner/chairman, Sheldon Kasower, at (818) 407-4620 if there are any questions that you would like to direct to them. Thank you very much for your anticipated assistance in this matter.

Sincerely,  
 Marc E. Hankin
